SIR,

I have the honor to forward herewith copy of letter No. C3-545-30 dated 5-9-30 from the Deputy Commissioner, Bangalore District, in the matter of the reconstruction of the temple of Sri Basaveswara at Doddasagarahalli in the Devanahalli Taluk and to state as follows.

The temple in question is a village Muzrai institution having been endowed with 3a.- 15g. of inam lands in the village. The Deputy Commissioner's letter under reference explains the circumstances under which a new temple came to be built. The Garbhagudi portion is reported to have been built and the materials of the old structure are proposed to be utilised for building the remaining portion of the new temple. In view of its being ~~much~~ merely a re-building of an existing dilapidated temple in a different place which is not objected to by the villagers, I beg to recommend that sanction may be accorded for the removal of the idol from the old temple and its consecration in the new one the cost thereof being met by the Archak.

The file of vernacular papers is enclosed for reference and return

Letter No. C3-545/30-31 dated 5-9-30 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore.

In submitting herrwith the file of vernacular records ending with Doddballapur Sub Division Officer's report No.A4-23/29-30 dated 4th July 1930 in the matter of the installation of the idol of Sri Basaveswara in the temple constructed for the purpose at Doddasagarahalli village, Vadaa-enahalli Hobli, Devanahalli Taluk, I have the honor to state that the the Sri Basaveswara temple at Doddasagarahalli is a village Muzrai Institution endowed with S.No. 138 of the village measuring 3 acres 18 guntas in extent. This temple was found to be in ruins in 1924 when inspected by the Amildar and action is seen to have been initiated then for the construction of a new temple in place of the one that had fallen into ruins. When the Inam land endowed to the temple which was in the enjoyment of the Archak was attached, the Archak gave an undertaking before the Sheikdar on 25-1-'25 to the effect that he would build a new temple on a site belonging to the Shanbhog of the village who happened to be his elder brother within six months from the date of the mutchalika at his own expense and also instal the idol of the Sri Basaveswaraswami in the new shrine so constructed by him.

It is now reported that the "garbhagudi" of the new temple is completed and the Archak wants permission to remove the idol from the old temple to the new one and instal it there so that the old temple might be completely pulled down and the materials thereof utilised in the further construction of the new temple.

Both the Amildar and the Sub Division Officer recommend that the permission sought for might be accorded to the Archak.

Under the circumstances, I request that permission may kindly be accorded for the removal of the idol from the old temple to the new one and to its installation therein as recommended by the Sub Division Officer. A proper mutchalika before the Amildar re: the free grant of the site will be taken in due course.
